

Trick-or-Treat!

Come Celebrate Nuclear Science Week with PSEG

Children fourth grade and up are invited!

Stop by the PSEG Energy and Environmental Resource Center
Oct. 17 for early trick-or-treating and a little educational fun!

Activities

Trick-or-treat safely inside the Energy and Environmental Resource Center (EERC) — plenty of candy will be on hand to fill your buckets and pillowcases

Check-out the EERC's interactive exhibits

Learn more about the PSEG Nuclear plants while participating in a fun scavenger hunt

Details

Entry is free of charge

Costumes are not mandatory, but are encouraged

All children must be accompanied by an adult

Event hosted by
North American Young Generation
in Nuclear (NAYGN)
PSEG Nuclear chapter
