

Potassium Iodide (KI) Distribution

SEPTEMBER 20, 2023
5:00 PM - 7:00 PM
MORRIS GOODWIN SCHOOL
839 YE GREATE STREET

The KI tablets being distributed have an expiration date of 12/2026. If you do not have current KI tablets for your household, please stop by to update your supply.

A household supply of Potassium Iodide tablets is recommended for those living within a 10 mile radius of the Salem Nuclear Generating Station in the event of a nuclear emergency.
