Dear Friends,

Join us on **Saturday March 15, 2025** for the family event of the year - **Ye Greate Street, Live!** - our 23rd year! You'll encounter live, silent, and "chance" auctions; live music to entertain all ages; plus food - chili, soup, hotdogs, mac & cheese, beverages, and baked goods.

Admission for the evening is \$10 for a family, including one ticket per family for the door prize drawing. Everyone will find auction items to pique their interest and fit their budget, some especially for kids.

The Historic Greenwich Education Foundation asks for your support to sustain its work. The foundation board meets quarterly with the superintendent to discuss the needs of the schools. It is only with your help that the HGEF will thrive and continue to provide extraordinary opportunities for the children in the Greenwich Stow Creek Partnership Schools. Please consider donating *something* for the three auctions (gift cards, unique experiences, furniture, etc.).

Thank you in advance for your thoughtful participation, respectful quiet during the live music, and your generous support for this event.

Sincerely,

Helen Reinhart
President
