

# **\* Yearbook ADS and Boosters \***

The 2024-2025 yearbook will be one to remember! We are beginning the process of gathering advertisements and boosters that will become pages in the yearbook. Show your Pre-K-8<sup>th</sup> graders how proud you are of them and how hard they have worked during this school year!

Also, purchasing an ad or booster is a great way to advertise your business. If you have a business or know someone who does, we would appreciate your support! Also, parents, family members, and friends can purchase ad space to place appropriate messages of congratulations, send good luck wishes, and share pictures of your Greenwich-Stow Creek Partnership School student(s).

Again, this year, ads/booster sales will be accessible through a link that can be found on the school's website. The link is also at the bottom of this form. After clicking on the link, ads and boosters (short messages of congratulations) can be purchased and designed. Once payments are received, the yearbook club will have access to those ads/boosters to place in the yearbook. **The ads/booster deadline is Monday, March 31st.** Because of the way ads/boosters are purchased, we cannot give an extension. Any ads/boosters that are not received by the deadline will not be accepted. All payments will be made online, and the cost goes towards the printing of the yearbooks.
